OPERATION MANUAL MODE D'EMPLOI MANUAL DE MANEJO

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio mmunications. However, there is no quarantee that interference will not occur in a particular installation. If this equipment does cause harmfu terference by one or more of the following measures: Regrient or relocate the receiving antenna.

WARNING - FCC Regulations state that any unauthorized changes or modifications to this equipment not expressly approved by the manufacturer could

Increase the separation between the equipment and receiver. Connect the equipment into an outlet on a circuit different from that to which the receiver is connected

In Canada: / Au Canada:

This Class B digital apparatus complies with Canadian ICES-003. Cet appareil numérique de la classe B est conforme à la norme NMB-003 du Canada

SHARP CORPORATION

OPERATIONAL NOTES To insure trouble-free operation of your SHARP calculator, we recommend the following . The calculator should be kept in areas free from extreme temperature changes,

3. Since this product is not waterproof, do not use it or store it where fluids, for example water, can splash onto it. Raindrops, water spray, juice, coffee, steam, perspiration, etc. will also cause malfunction 4. If service should be required, use only a

SHARP servicing dealer, a SHARF approved service facility or SHARP repair 5. Do not operate the unit with the battery insulation sheet attached. The battery insulation sheet prevents the memor

found on the back of the unit. Operating with the battery insulation sheet ched may result to loss of information such as date and time, conversion rate, and tax/discount rate if the AC power plug is dentally pulled out from the wall socke 6. Do not wind the AC cord around the body or otherwise forcibly bend or twist it.

SHARP will not be liable nor responsible for property damage caused by misuse and/or malfunctions of this product and its acknowledged by law.
